TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on ‘**whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school**’.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
During lockdown, sports activities continued in school for our key worker and vulnerable children which adhered to our school COVID risk assessment. A thorough audit of PE equipment was carried out which identified equipment gaps. Additional equipment purchased for structured activities at break and lunchtime	Due to COVID Year 6 children were unable to complete their swimming lessons which are normally completed in the summer term.

Did you carry forward an underspend from 2019-20 academic year into the current academic year? NO *

Meeting national curriculum requirements for swimming and water safety. N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	50%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	50%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: £ 18,750		Date Updated: 20.11.20	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					47%
Intent		Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:
Lunchtime clubs will take place every day lasting the 30 minutes per bubble. Play leaders in each year group to play organised games within their bubble Once COVID restrictions allow: Reintroduction of a range of after school sports activities		A dedicated sports coach runs these. A variety of sports and activities will be on offer. Focus on development of skills. Sports coach to develop skills of group of children to become year group play leaders		£8,750	Children enjoy a range of different sports and have opportunities to experience different sports than in formal lesson time
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation:
					5%
Intent		Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:

To ensure that there is clear progression of PE skills across the school	MAT curriculum lead to produce PE curriculum skills progression document	£1,000	Clear evidence of progressive teaching of PE Teaching staff have good subject knowledge and clear understanding of progression of PE skills	Evaluate impact of teaching through lesson observations
--	--	--------	--	---

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				27%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To ensure that there is clear progression of PE skills across the school and that all staff gain in knowledge and confidence when delivering PE.	Sports coach works with children, models lessons to teachers and support staff.	£5,000	Clear evidence of progressive teaching of PE Teaching staff have good subject knowledge and clear understanding of progression of PE skills	Evaluate impact of teaching through lesson observations
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				19%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Lunchtime clubs will take place every day lasting the 30 minutes per bubble.	A dedicated sports coach runs these. A variety of sports and activities will be on offer. Focus on development of skills	£3,500	Children enjoy a range of different sports and have opportunities to experience different sports than in formal lesson time	Establish most popular non-curriculum activities to continue through discussion with school council

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				2%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Once COVID restrictions allow MAT sporting competitions to be held regularly, consisting of different sports and activities	Each MAT school will organise their own competitions to be held at their school and invite participants from the other 4 MAT schools.	£500	This will raise the priority of sports and promote good sportsmanship	Continue holding regular intra-school competitions to engage all pupils in competitive sporting activity.
